**NEW for 2012!**

**In Stock  
&  
Ready to Ship!**

Friday, October 28<sup>th</sup>, 2011

Cleveland, Ohio

### TYPE II POWER STEERING PUMPS WITH RESERVOIR

Tuff Stuff Performance Accessories is pleased to announce the availability of Type II power steering pumps with reservoirs.

Available with a polished aluminum, black painted or as cast aluminum pump, these units include an attached reservoir that eliminates the need for an external tank.

Compact in design, these pumps are ideal for hot rods, muscle cars and vehicles with limited engine space.

Quality made in USA using 100% new components.

Optional chrome plated or black powder coated pump mounting brackets available separately.

High resolution image #6175AL-1R is available at <http://www.tuffstuffperformance.com/img/6175AL-1R.jpg>
